Request for 2-Day Extension - CSE0001 Assignment

Dear Professor,

I hope this email finds you well.

I am writing to respectfully request a 2-day extension for the Digital Literacy project assignment, originally due on March 26, 2026.

Due to an unexpected medical issue this week, I was unable to complete the final formatting and review of my project. I have completed 90% of the work and only need additional time to ensure quality.

I would be happy to share my current progress if needed. Thank you for your understanding and consideration.

Best regards,

Ishika Choudhary
